How It Works

One small, cheerful adventure a day, December 1 to 24.

1**Print**

Print the whole pack, or one day at a time. US Letter; choose “Fit to page” for A4. Black-and-white printing works great.

2**Hang the calendar**

Put the check-off calendar page on the fridge. Each day, your kiddo colors in a star (or adds a sticker!).

3**Do the day**

One small activity a day: coloring, a maze, a joke, a kindness challenge, a drawing prompt or a puzzle. Most take 10–20 min.

4**Find the secret word**

Every page has a secret word to trace. Write it on the calendar. Secret words unlock bonus levels at adenvale.com.

5**Celebrate!**

After Day 24, fill in the certificate of completion. Answers for the puzzles and mazes are at the back.

Tips

- Ages 4–6: read the page aloud and trace the secret word together.
- Ages 7–10: most pages can be done solo, with a grown-up nearby.
- Started late? No problem. Any 24 days work, at any pace.
- For personal & household use. Please don't share or resell the file.
